

## YOLO

Yolo is an acronym for **You Only Live Once**. The website is to teach adolescent young people the ways of life and how to live a health life and a good one without destroying your own future.

### 1. Introduction

The website is focus on young people both men and women, rich or poor a way of living a good life. The company will boost of a large visit of people as many young people are looking for websites to learn about the goods and bad of the life they are living.

It is also liable to open a large wide range of communication within its visitors and keep on expanding.

It can also build the reputation of the website as it keeps the good work of teaching young ones how to become viable in the society.

Young people have the ability to change their life in a positive way, have a better way to bring changes into the world. They will also get the opportunity to learn new things and be able to teach others. The company will be also able to set opportunities for young people visiting the site to encourage them from going back where terrible life was.

### 2. Expected List of features

- Latest News
- Famous Quotations
- Including Images and Videos of teachings
- Testimonies and comments section
- And a communication box
- Donation

All these points make sense for this website as it targets young vulnerable group of there life going astray. The latest news provides ways for people to see the tragedy that are going on around the world. In the case of the quotations this will provides motivation for the visitors from high profile celebrities that are role model for these young souls.

We intend to these youths in all aspects that interest them most in todays world. Images and video a teaching method that will be a very important in the website.

We also need to inspire others by sharing others testimonies and set them as an example to fellow, that yes, it is not impossible you can do it as well.

We need communication for questions and answers, for interaction and enquires.

The website needs donation for it functioning since it targets a large range of people.

### **3. Other websites that have similar ideas like mine**

- Street Child
- Save the Children
- Girl Child Education Plan International
- Ghetto Youth Foundation
- Vulnerable groups – WHO

The above list of websites has a common goal, vision, mission to my idea all in other to make the vulnerable young youth get a better life. We also met at protecting the vulnerable from been exploit to slavery and also teach the youths how they can be better for themselves, the communities, their future and world as a whole. Rendering help to this people also is big thing this sites and idea is up to. Its huge work to do, so getting donation for humanitarians is also an idea from all these websites.
